Subject: Request for dispute deadline extension - benthic risk evaluation comments

Bob,

We have reviewed the LWG's October 5, 2010 request for an additional 30 days, until November 12, 2010, as a deadline for the LWG to invoke dispute resolution on the benthic risk evaluation comments. EPA previously provided a one week extension of the deadline (Deb Yamamoto's October 8, 2010 email). EPA hereby extends the dispute deadline to November 12, 2010.

EPA is willing to meet prior to the November 12, 2010 dispute deadline to discuss our comments. Please let us know if you have any questions.

thanks,
Chip
